Customer Reviews

This is a re-issue of the original vocal selections sheet music. Most of the songs are in the original key and are reduced from the full score. It's a great addition to any musician interested in Broadway scores. More serious musicians should explore the full score if you can find a copy. Difficulty level: medium difficulty. "Surrey With the Fringe" is about the most challenging...needing a careful fingering.

This music selection is everything you would want. I have to say that it was Oh Such a Beautiful Morning on the day it arrived when I could sit down at the piano and play: Many a New Day, Out of My Dreams, Oklahoma, People Will Say We're in Love, Kansas City, and all the others that made

the musical, Oklahoma, such a great production. Buy the score now and you won't be disappointed.

This is a terrific collection of wonderful songs, not only worth singing and hearing, but worth learning even for their history.

Excellent songbook with beloved collection of songs from "Oklahoma!" It includes all your favorites in easy to play instrumentation.

Didn't have all the songs.
