# Recognizing And Correcting Developing Malocclusions: A Problem-Oriented Approach To Orthodontics

Synopsis

Recognizing and Correcting Developing Malocclusions: A Problem-Oriented Approach to Orthodontics provides an evidence-based approach to early treatment, an often-controversial topic. Based on decades of experience in clinical practice and education, Drs. Araújo and Buschang clearly present treatment protocols for mixed-dentition patients with various malocclusions and other orthodontic problems. Class I, Class II, and Class III malocclusions are covered extensively, along with eruptive deviations and open-bite malocclusions. The literature is comprehensively reviewed to ensure that the reader thoroughly understands the development, phenotypic characteristics and etiology of each type of malocclusion. Taking a problem-oriented approach, the authors provide detailed information for each case, develop comprehensive problem lists, and then provide evidence-based treatment solutions. The clinical focus of the text is ideal suited for private-practice clinician, with numerous references and academic underpinnings to ensure its suitability for orthodontic and pediatric dentistry residents. Focuses solely on mixed dentition orthodontic treatments Great variety of case studiesâ ”5 to 10 cases per chapter Each case is presented in the format of a problem list and evidence-based solutions More than 300 clinical photographs and radiographs

Book Information

Customer Reviews

This book is clinically oriented and also evidence based. Among various merits of this book, I really like lots of patient pictures and visually pleasing 3D rendered illustrations. Most of cases were followed up for long term and amazingly, some had 10~20 years of follow-up pictures. There are so

many things I learn from this book (I haven't finished yet). Habit breaking chapter talked in detail about very practical and creative approach (The Araujo approach). I think this information will be also helpful in practice management as well as patient's well being.
