Customer Reviews

This is a book of nudists which shows us as real people, not necessarily as body beautiful. Photos were taken by somebody who appreciates the nudist lifestyle.

This book provides a fair look at the nudist clubs of the 80s. The people were not glamorized or airbrushed, but shown to be in their natural state.

Sunburned naughty bits along with ho-hum 1970s style vacation locales. Technical quality of the photography was mediocre, at best. Who knew that nudism could be so boring?
