Portrait Of A Maine Island: A Visually Layered Place

Synopsis

Northeast Harbor, Me photographer Sarah Butler has amassed a gorgeous portrait of the people and its region through her lens. Her book is aimed at the art photography aficionado and those who love the region's residents or tourists and want a visual album of the place.

Customer Reviews

Just what it says. I'm from this Island, and the book is a fair mix of people who live here - many year-rounders, some only summers, and one or two who own businesses that give locals and "Fromaways" employment. Sadly, it does not contain everyone who lives on the Island, but a great many. My favorite image is of Mr Estes, one of the greatest artists of our day.
