Summary - This is my very clear and simple to follow forex trading strategy. It covers exactly what I do on a daily basis step by step for you, in order to get you to achieve the 30 pips daily I do. It is ideal for beginners but is also there to help the more experienced traders who perhaps haven't found a clear strategy
What I feel is important - As well as going through my strategy I also cover the key components and what I feel is important to make you a better trader and the thing that turned me from losing money on a daily basis to setting up a sound strategy and being consistent daily in the forex market
