Rail-Trails Florida: The Definitive Guide To The State's Top Multiuse Trails

Synopsis

Florida visitors are often surprised by both the beauty of its trails and by the great variety of its landscapes. Although Florida doesn't have any mountains, it does offer trails with views of everything from beaches and bluffs to prairies and wetlands. In this comprehensive trail guide, you'll find some of the best, most beautiful trails in Florida. Many of the trails were converted from unused railroad corridors to become some of the best multiuse rail-trails in the state. In this guidebook, experts from Rail-to-Trails Conservancy present their final list of the top trails and rail-trails in Florida, selected from more than 100 in the state. In addition to details about each trail, Rail-Trails Florida also provides information about trail amenities, including restrooms, parking facilities, and water fountains.

Series: Rail-Trails

Paperback: 192 pages

Publisher: Wilderness Press (May 10, 2016)

Language: English

ISBN-10: 0899978193

ISBN-13: 978-0899978192

Product Dimensions: 5.4 x 0.2 x 8.4 inches

Shipping Weight: 11.2 ounces (View shipping rates and policies)

Average Customer Review: 4.0 out of 5 stars [See all reviews](#) (3 customer reviews)

Best Sellers Rank: #289,719 in Books (See Top 100 in Books) #68 in [Books > Sports & Outdoors > Individual Sports > Cycling > Excursion Guides](#) #287 in [Books > Parenting & Relationships > Family Activities](#) #367 in [Books > Travel > United States > South > South Atlantic](#)

Customer Reviews

Ordered the Kindle version and have found it to be very helpful. There is a color map for each trail and detailed description. Also includes color photos. Especially helpful are the detailed routes to the trailheads for each trail. We live and bike in Florida.

Disappointed by the book. Poorly organized. I want to look for trails geographically and the map is so small makes it difficult. Also, I still don't get the way the book is laid out. Save yourself the money and you can easily get all the information on line.

An overall map to find out if the ride is close to you, plus a detailed ride map once you are there, are why I like these books. I discovered a new ride near me I had never considered before.
