Synopsis

Ideal for chairside use by the entire dental team, Mosby's Dental Drug Reference, 11th Edition, provides the current, concise, dental-specific drug information you need at the point of care. More than 850 drug monographs make it easy to find indications and dosages, contraindications, interactions, side effects, serious reactions, and dental considerations. A companion website adds regular drug updates, a full-color pill atlas, printable patient education handouts, reference tables, and more. More than 850 drug monographs offer the vital dental-specific drug information you need.Drug information with relevant patient and family education guidelines in each monograph emphasize oral health, prevention, and treatment from the dental hygiene perspective.Durable and pocket sized, a succinct and organized format makes this guide ideal for chairside use. Bulleted lists provide quick and easy access to general and specific dental-related information in each monograph. .Primers on therapeutic management of common diseases and on medically compromised patients offer key foundational information relevant to the treatment of all patients.New monographs, FDA updates, a color pill atlas, images of common pathologic conditions, patient education handouts, quick-reference guides, and more are available online to help keep this guide compact and user-friendly. Nearly 60 new drug monographs provide need-to-know information for a variety of recently approved drugs with considerations dental team members need to know relative to the oral health care of their patients.Companion website with annual drug updates, as well as ancillary content, keeps you current in the ever-changing world of pharmacology.

Customer Reviews

Make it easier to get to each letter of the alphabet. It is too difficult to scroll through and search does not specify whether it is the actual drug or if it’s just mentioned in another drug.

This is a great book to have for referencing patient information on their medical history. It is also a great book for school assignments, class projects.

I bought this book for my dental classes. The book arrived very fast! Price was cheap and it was overall a great buy. I would highly reccomend.

I was very pleased with my purchase and the customer service provided.

really good book for everybody in this line of work...

It has everything you need in an esse acessÃ-vel way!

Will continue to use this til the end of time

came super fast and in great condition
