Roger Ballen: Animal Abstraction

Synopsis

Animal Abstraction collects one body of work by photographer Roger Ballen (born 1950). Enigmatic, beautiful and often disturbing, these black-and-white photographs are staged in desolate interiors where humans interact with animals to create mysterious tableaux that reflect Ballen's fascination with the animal kingdom.

Customer Reviews

Love Ballen's work and this book is wonderful to see the images in person. Very interesting and worth the purchase.
