# Top Secrets For Passing Actuary Exams: Learn How To Study With More Efficiency And Less Stress

## Synopsis

If you're just starting the CAS or SOA actuarial exam track, on the road to an ASA or ACAS designation, or stuck somewhere in the middle, *Top Secrets for Passing Actuary Exams* is for you. What started as a series of interviews with the strongest actuarial test-takers in the world turned into a collection of ideas and strategies that mean the difference between passing and failing. *Passing Actuary Exams* includes lessons learned that will save time, money and frustration. In this book you will find:

- A introduction to the main ideas of studying for an actuarial exam
- Answers to common questions
- Strategies drawn from the top actuarial test-takers
- Strategies of the average tester (drawn from my experience)
- Mistakes that made the difference between a pass and fail
- Suggestions to improve your efficiency, reduce your frustration, and enable a better study experience in the long run
- Tips from the world's smartest SOA and CAS Fellows

## Customer Reviews

I thought there would be more advice in this book and maybe more stories. I was a bit disappointed.

While it has some helpful information, there isn't a ton of content.
